

Schoolcraft County

Schoolcraft County was originally laid off in 1843, but was later officially organized in 1871. The county coordinates are Range 13W-18W and Township 39N-47N. Adjacent counties include Luce (northeast), Mackinac (east), and Delta (west), and Alger (west, northwest, and north).

Here is a listing of original source records available at the Archives for Schoolcraft County, including the years of coverage and the Record Group number. Finding aids available in the Archives, arranged by RG, give a more itemized listing of each collection.

Several Archives of Michigan collections are housed at the Central Upper Peninsula and Northern Michigan University Archives in Marquette, which are indicated below with a #. For assistance with those resources, please check with the staff there: nmu.edu/archives/home-page.
